RE: 76 Webster Park, Auburndale

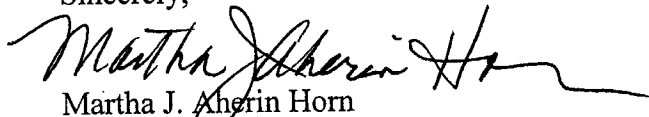

Dear Mr. Epstein:

Thank you for dropping off the revised Site Plan 'E' dated April 25, 2004. As requested by the Conservation Commission vote of April 15th, the side setback from the Habitat house is now 10' for improved access and fire protection.

This plan now meets the Commission's condition and is the Record Plan for future planning and permitting.

Thank you for all of your extra effort on this very important project.

Sincerely,

Martha J. Aherin Horn
