LIVING WITH COYOTES

JOHN MAGURANIS, PROJECT COYOTE MASSACHUSETTS

Join John Maguranis of Project Coyote Massachusetts for this program, which will cover a variety of topics on coyotes, including:

- History, diet and fact vs. myths
- Human and pet safety
- Tracking and identification
- Behavior and ecology
- Resources

Project Coyote is a North American coalition promoting compassionate conservation and coexistence between people and wildlife.

This program is cosponsored by the Newton Conservators.

LIVING WITH COYOTES

Join us on Tuesday, March 17 at 7:00 PM at the Newton Free Library for a fascinating talk by John Maguranis of Project Coyote - Massachusetts. "Living with Coyotes" will highlight history, diet, facts vs. myths, human and pet safety, tracking and identification, behavior and ecology, and

will work to engender understanding and appreciation of these creatures. Revered and respected by Native Americans for their intelligence and resilience, coyotes have much to teach us about the capacity to evolve and coexist in the face of rapid ecological and social change.

ProjectCoyote, <http://www.projectcoyote.org>, a North American coalition of wildlife scientists, educators, predator- friendly ranchers and community leaders, promotes compassionate conservation and coexistence between people and wildlife. This event is sponsored by the Newton Conservators and is free and open to the public!

John Maguranis served as a United States Army veterinary technician for more than twenty-years, caring for a wide range of animals from bald eagles to bison. Upon retiring from the army ten years ago and following his love for animals, John became an Animal Control Officer for the town of Belmont, Massachusetts where he has been able to put his veterinary skills to work for wildlife. John quickly recognized the unfair press regarding coyotes and started a campaign to educate the community about why coyotes matter ecologically and why they deserve respect and appreciation.

He has worked collaboratively with many organizations and researchers throughout New England on policy related issues and field research while advocating for better treatment of coyotes and all wildlife. His ability to distill information from scientists, researchers and biologists and present it in a way that is meaningful and memorable has earned him recognition throughout the Northeast.

Globe Readers And Non-profits Together

Are you a Boston Globe subscriber? If so, please choose the Newton Conservators as your non-profit of choice for the Globe Grant program! You can complete the form sent by the Globe or visit <https://services.bostonglobe.com/grant/default.aspx>.

GRANT stands for Globe Readers And Non-profits Together, and is an exclusive subscriber program built to allow our subscribers to support their favorite non-profit in a meaningful way. GRANT distributes vouchers to existing subscribers in the mail and via email. Subscribers fill out the voucher to select a non-profit and return it to The Boston Globe; or they can visit the 'redeem voucher' page online. The non-profits earn newspaper advertising space to promote their organization. The size of the ad is determined by the amount of vouchers redeemed to their organization. All Boston Globe subscribers receive GRANT vouchers. Seven-day subscribers receive \$100 vouchers. All other home delivery and BostonGlobe.com subscribers receive \$50 vouchers. Select the Newton Conserv by April 30, 2015 by visiting BostonGlobe.com/Grant. **For subscribers who received mailed vouchers:** Write the name (Newton Conservators) and address (PO Box , Newton Centre, MA 020xx) on your voucher and mail it to The Boston Globe using the envelope provided by April 30, 2015. If you are a Globe subscriber but did not receive your voucher, you can make your submission online by visiting BostonGlobe.com/Grant. You will need your Subscriber Number, Subscriber Email or Subscriber Phone Number.

Amazon Customers - Support the Newton Conservators with your purchases!

If you use Amazon to occasionally purchase items, especially during this holiday season, you could be supporting the Newton Conservators at the same time at no extra cost. Simply go to the Newton Conservators home page, www.newtonconservators.org and click on the Amazon Smile link and then continue shopping as normal. 0.5% of your purchase price will be donated to the Newton Conservators to support their open space work.

This e-Bulletin is a service of the Newton Conservators, Newton's open space advocates since 1961. If you wish to subscribe, just send a note with your request to subscribe to the Newton Conservators e-Bulletin to dolanpond@aol.com or emaillist@newtonconservators.org. The current edition of our paper newsletter (for those who don't receive it in the mail) can be easily downloaded in PDF form at <http://www.newtonconservators.org/newsletters/>. Event listings for our e-Bulletin can be sent to dolanpond@aol.com.

Publications!

Did you know that you can Join the Newton Conservators online. And consider a gift membership for a conservation-minded friend (new members get a trail guide as well)! Visit <http://www.newtonconservators.org/membership.htm> for details on membership options. Did you know that you can register and pay for membership, events, buy a copy of our Almanac or newly revised Trail Guide, or make a donation to the Newton Conservators online? The Trail Guides and Almanac are also available at your local Newton Bookstores. Shop Local!

Mission: *The Newton Conservators promotes the protection and preservation of natural areas, including parks, playgrounds, forests and streams, which are open or may be converted to open space for the enjoyment and benefit of the people of Newton. It further aims to disseminate information about these and other environmental matters. A primary goal is to foster the acquisition of land, buildings and other facilities to be used for the encouragement of scientific, educational, recreational, literary and other public pursuits that will promote good citizenship and the general welfare of the people of our community.*

The Newton Conservators organization was formed as a not-for-profit over 50 years ago (June 1961).

- E-Bulletin Editor Ted Kuklinski, Newton Conservators (dolanpond@aol.com)
