

► Invasives Update ◀

The Newton Conservators' invasives team continues occasional field work over the winter, which is a good time to take down bittersweet vines and tackle woody shrubs. We also will use this time to review our activities and plan for future efforts. If you'd like to help and be added to our invasives email list, please let us know via email to invasives@newtonconservators.org.

Winter's here. Take a hike!

Shop online at newtonconservators.org/publications/ to purchase Newton Conservators' publications. The Almanac is \$19.95 + shipping, and the Trail Guide is \$8.95 + shipping.

- Members receive a discount from these prices when purchasing online.
- New members receive a trail guide free with their first membership.

MISSION

Newton Conservators, Inc.

The Newton Conservators promotes the protection and preservation of natural areas, including parks, playgrounds, forests, and streams which are open or may be converted to open space for the enjoyment and benefit of the people of Newton. It further aims to disseminate information about these and other environmental matters.

A primary goal is to foster the acquisition of land, buildings, and other facilities to be used for the encouragement of scientific, educational, recreational, literary, and other public pursuits that will promote good citizenship and the general welfare of the people of our community.

Newton Conservators was formed as a not-for-profit organization 63 years ago in June 1961.

The Newton Conservators' Newsletter[®] is published four times each year by the Newton Conservators, Inc., in June, September, December, and March. Deadlines for these issues are the second Friday of the month before the issue is published.

We welcome material related to our mission from any source. Send proposed articles or letters by email in MS Word or rich text format to articles@newtonconservators.org. Digitized photographs, maps, and diagrams are also welcome.
