Tale of Two Brooks: Cheesecake Brook BioBlitz

Tuesday, July 29, 2025
4:00 PM – 5:00 PM

256 Albemarle Road, Newton, MA, 02460, United States (map)

In 2025, CRWA is organizing two community science environmental surveys to understand baseline conditions along Cheesecake Brook compared to the restored Fuller Brook in Wellesley.

Join CRWA staff and Newton Conservators for a guided walk along Albemarle Rd by Cheesecake Brook. You'll learn how to use iNaturalist to catalog flora and fauna, collecting vital community science data for our "BioBlitz" biological survey. Explore the impact of river restoration projects on the ecosystem and its biodiversity! Don't miss out on this fun, family-friendly event.

INATURALIST: For this event please download and create an account on [iNaturalist](#).

MEETING LOCATION: We will meet by the Harry Gath Memorial pool at 256 Albemarle Rd, Newton, MA 02460

MISSION Newton Conservators, Inc.

Newton Conservators promotes the protection and preservation of natural areas, including parks, playgrounds, forests, and streams which are open or may be converted to open space for the enjoyment and benefit of the people of Newton. It further aims to disseminate information about these and other environmental matters.

A primary goal is to foster the acquisition of land, buildings, and other facilities to be used for the encouragement of scientific, educational, recreational, literary, and other public pursuits that will promote good citizenship and the general welfare of the people of our community.

Newton Conservators was formed as a not-for-profit organization 64 years ago in June 1961.

The Newton Conservators' Newsletter® is published four times each year by the Newton Conservators, Inc., in June, September, December, and March. Deadlines for these issues are the second Friday of the month before the issue is published.

We welcome material related to our mission from any source. Send proposed articles or letters by email in MS Word or rich text format to articles@newtonconservators.org. Digitized photographs, maps, and diagrams are also welcome.
