Newton Conservators' Invasives Team conducts invasive plant removal sessions year-round, in many of Newton's parks and conservation areas. The City of Newton and the state (Department of Conservation and Recreation) support us administratively and with debris removal.

Our sessions are detailed in the Events entries on the website. If you would like to receive notices and updates about our plans, please email volunteers@newtonconservators.org. There is no obligation, and you can come to as many or as few of the sessions as you like. Thank you!

The New *Trail Guide* is here!

To order a copy of our new and improved *Trail Guide*, visit newtonconservators.org/buy-a-guide/ or scan this QR code:

The price of the guide is \$20 for Conservators' members and \$23 for non-members, plus shipping.

Anyone who joins the Conservators as a new member will receive a free copy of the guide. To join, visit newtonconservators.org/membership/.

Copies are also for sale at local bookstores.

The *Trail Guide* was edited by Dan Brody and Todd Macalister. ♦
